My Dear,

I expect this mail to meet you and your family in good health. I am Mr. Jacob Siromeh, area manager of a branch in one of the leading Banks here in Cotonou-Benin. It is my pleasure to seek for your assistance in this confidential business transaction, which will be for our mutual benefit.

Few years ago, an expatriate consultant and contractor Engineer, a customer of our Bank made a numbered time deposit for twelve calendar months valued at 9.6 Nine Million Six Hundred U.S. Dollars in my branch. On maturity, I sent a routine notification to his forwarded address but got no reply. After months, we sent a reminder and finally, we discovered from his then contract employee according to record (a cement company here in Benin) that he died on the Republic of Benin plane crash on the day of 26th December 2003. This also took lives of thousands of Lebanese.

Presently, as ethical and corresponding to all national and international banking procedure worldwide, my bank must respond to his next of kin. On my private further investigation as his account officer, I found out that He died alongside with His suppose next of kin. And until now no other person/persons knows about this account or could give any documentary evidence concerning this account.

The total sum of 9.6 million is still standing in his favour in my bank head office as dormant account. No one has ever come forward to claim it. And now, according to the Republic of Benin banking law/code, after six years, the money will revert to the ownership of the Beninoise government if the account owner is certified dead and nobody comes forward to claim it. Now I need your support and your full cooperation, so that you and I will have this fund. To transfer it out of my bank to any special account of your or our choice.

All I require is your honest cooperation to enable us seeing this deal through. I guarantee that this will be executed under a legitimate arrangement that will protect you from any breach of the law, and payment will be made to you in few banking days.

At the conclusion of this business, we will have the money shared in the ratio of 75 - 25 of the total amount. 75 will be for me and 25 for you. Please you have to be rest assured that as far as I am concerned in this transaction as an insider of the bank, this business is extremely sure and safe, because I have already done my home work very well and I have covered every loop holes and also set my machinery on work before contacting you.

On your reply, please reply to my confidential email address (jcbSiromeh4@gmail.com), include you full names, phone and address. I highly appreciated your quick answer.

Yours faithfully,
Jacob Siromeh.
