Dear

Naturally, this letter will come to you as a surprise since we have not met, permit myself however, I am SUSAN BALOYI a wife of Zimbabwean Farmer Mr. STEPHEN BALOYI

I am contacting you as the need for me to have a foreign partner in your country has become necessary due to my plans to relocate and to establish a private company in that region.

As the present political instability in Zimbabwe, does not encourage financial investment, as the environment is not conducive for investment and most of all security is not insured, just as reported by international media (CNN).

You will read more stories about President Mugabe's brutal acts by visiting this web sites;

My Husband was accused of Treason felony and also assisting the White farmers in fighting the government. Few weeks after his arrest, he was reported dead.

This problem started when the Zimbabwean government under the leadership of President Robert Mugabe announced a degree on May 31st 2000 to seize land more than 849 white-owned farms. So far, more than 1,400 white owned farms have been invaded and confiscated, as well as claiming the properties of the farmers.

Therefore, I decided to contact you, for your assistance, so that I can establish a company in your country and relocate there, hence the president have killed my husband during this situation.

The amount involved is US\$8.2 Million Dollars, (Eight Million two hundred thousand dollars only.) upon receiving this money on my behalf, in your account which will be used for Investment, I shall be joining you in your country. My late husband left this fortune for my children and me in a security and trust company in South Africa.

As a partner you will be entitled to 20% of the total sum.  
And 5% shall be for the expense, which might occur in the  
cause of this transaction.

I am waiting urgently for your call or email through this.  
Please contact my son and myself..  
Telephone: + 27- 735 546 440

Cheers and God bless.  
Best Regards,

Madam Susan Baloyi
