ATTN: PRESIDENT/CEO,

Firstly, I will crave your indulgence trust and confidentiality before I introduce myself to you. My name is Alhaji Mohammed Abacha the elderly son of late General Sanni Abacha. Who died unexpectedly during his government. Before my my father died he was deposited huge amount of dollar (TWENTY FIVE MILLIONS DOLLARS) under security vault in

European country. And this funds was kept for family investment without knowing that he will die unexpectedly. And since my father pass away I was arrested and kept in prison for no reason and all my family account home and abroad was seized by the government of Nigeria.

However, I was just released by the government after court judgement with condition that I should not travel out of my state in Kano. With this situation my mother now decide that we should solicit for assistance from a foreigner who will be of assistance to the Abacha family in order for him to claim this funds in Europe as a beneficiary. My family have agreed to compensate any partner/associate who be of help to the family the 25% of the total sum 5% for any expense incurred before the smooth conclusion of the project the remaining 70% is for my family which will intend to invest in buying shares also land and properties.

We assured you 100% risk free on this transaction and I want you to treat this transaction very confidential till we conclude this project. If you willing to assist us on this transaction get back to me very fast. so that I will instruct my lawyer to get you every documents involve.

I await your soonest response.

Regards,

Alhaji Mohammed Sanni Abacha
